

MARINETEK GROUP SUMMIT

The first Marinetek Group Summit, gathering representatives from international joint ventures, took place on 5th – 7th June in Helsinki, Finland. The goal was to develop our international co-operation and join our efforts in order to produce the best synergies. Socially the Summit helped to get to know each other better and to learn from each other. We managed to achieve all these objectives and had a great time doing it. Marinetek wants to thank all the participants of this successful summit.

MARINETEK AS SPONSOR

Marinetek has started its collaboration with Class 1 UIM World Powerboat Championship. During the German Grand Prix in Travemünde on 4th – 6th July Marinetek performed as a sponsor and supplied the race through Marinetek Neugen with two Heavy Duty M2715HDS floats. The pontoon was used for craning wet pit area and was highly evaluated by Offshore specialists. Marinetek representatives were hosted in the VIP area of the event and had the privilege of the best observation of the race. Apart from the race programme Marinetek team held some efficient meetings and visited the local Marinetek Neugen GmbH office which is situated in Travemünde. The next race where Marinetek is planning to participate will be the Dubai Grand Prix in December 2003.
