OPENING OF MARINETEK VANTAA FACTORY

The opening of Marinetek Finland's new factory in Vantaa was held last week on the 1st of October. More than one hundred guests visited the renovated factory. A renewed production layout offers more than a double production capacity and storage space compared to the old factory in Helsinki. The new production premises includes 4000 m² of production halls with six cranes and 12000 m² of yard for storage. Furthermore the new factory has a perfect location situated in the crossing of the main roads in Finland.
