

METS 2005

The annual METS exhibition was held on 15th-17th of November in Amsterdam. This year's METS had 1050 exhibitors and the show attracted 16382 visitors. During the METS Marinetek arranged a distributor seminar in which all the new distributors and products were introduced, Marinetek brand guide was launched and quality programs were specified. The traditional Marinetek dinner for all the Marinetek distributors, representatives and global marina product representatives was arranged on Wednesday evening. Thank you all for participating and making the event successful!
